MY SUBMISSION IS THAT

(Please continue on separate sheet(s) if necessary.)*

I am a Maori land owner and private land owner and have been party to long term leases with farmers who blatantly abuse our lands and everything we stand for. I am sick and tired of listening to the bleating farmers and consider it time that they learned that their methods generally need to change, and that mass production and the almighty dollar is not the be all end all. I support any plan change which may allow my children and theirs and future generations to have the ability to swim in clean waterways and drink water free of pollution.
